

Infinova Announces Latin America Sales Manager

Infinova, a leading manufacturer of CCTV surveillance and fiber optic communications equipment, has appointed Carlos Leschhorn as sales manager for Latin America. Prior to Infinova, Leschhorn successfully initiated and developed new sales opportunities in territories such as Chile and Bolivia, and established sales offices in those countries. As regional senior sales manager for Sony, Leschhorn increased distributor participation and facilitated sales growth through distributor relationships.

Infinova designs and manufactures a full line analog and digital/IP CCTV products including PTZ dome cameras, fixed cameras and lenses, monitors, DVRs, matrix switchers, controllers and accessories, fiber optics for video, audio and data, and integration management software. Infinova provides consultants, integrators, electrical contractors and installers with engineering design assistance and customized systems.
