

Infinova Announces VP Sales Latin America

Monmouth Junction, NJ – January 15, 2007 - Infinova, a leading manufacturer of complete CCTV security/surveillance and Fiber Optic solutions, has appointed Carlos Leschhorn as Vice President of Sales for Latin America.

Mr. Leschhorn has a Masters Degree in International Business Management. He has over 16 years experience working in Security Electronics Products in Latin America. Mr. Leschhorn previously served as an Infinova Sales Manager for Latin America where he increased sales for 2006 over 25%. Prior to Infinova, Mr. Leschhorn successfully initiated and developed new sales opportunities in territories such as Brazil, Argentina, Colombia, Venezuela and more recently Chile, Peru and Bolivia, and established sales offices in those countries. As regional senior sales manager for Sony, Mr. Leschhorn increased distributor participation and facilitated sales growth through distributor relationships.

Mr. Leschhorn will be responsible for creating a complete distribution channel for our products in Latin America as well as to manage our sales offices in Brazil, Venezuela and Mexico.

Infinova designs and manufactures a full line analog and digital/IP CCTV products including PTZ dome cameras, fixed cameras and lenses, monitors, DVRs, matrix switchers, controllers and accessories, fiber optics for video, audio and data, and integration management software. Infinova provides consultants; integrators, electrical contractors and installers with engineering design assistance and customized systems.
