

Infinova Netdome with Image Stabilization

Infinova, a leading manufacturer of CCTV, Fiber Optics and Integration Software products, offers a pan-tilt-zoom (PTZ) dome camera that features a built-in video server. The NetDome cameras are a part of Infinova's InfiNetT Series of IP and Ethernet capable products that also includes video matrix switchers. The cameras are available in 18X, 22X, 23X and the 26x optical zoom comes with Image Stabilization.

Infinova designs and manufactures a full line analog and digital/IP CCTV products including PTZ dome cameras, fixed cameras and lenses, monitors, DVRs, matrix switchers, controllers and accessories, fiber optics for video, audio and data, and integration management software. Infinova provides consultants; integrators, electrical contractors and installers with engineering design assistance and customized systems.
