

Infinova Named One of Most Influential Brands in China

MONMOUTH JUNCTION, NJ - February 25, 2010 - Infinova today announced that, at the annual meeting to celebrate the Spring Festival attended by the security industry in China on January 7, Infinova was acknowledged to be one of the "Top 10 Influential Security Brands in China" for 2009. The event was held at the Xiangmihu Resort's Haoshijie Hall in Shenzhen and attended by over 1,000 people, including leaders from the Ministry of Public Security, representatives from public security organizations throughout China, security enterprise leaders and the mainstream media. Infinova was especially recognized for its high speed PTZ zone camera, networked video matrix switching and high density fiber optics transmission systems.

"We have just celebrated ten years of being involved in the Chinese security market," reports Mark S. Wilson, Infinova vice president, marketing. "We believe we have made an important contribution to the overall Chinese security industry's success, especially with our many high profile installations on highways, other infrastructure locations and at major facilities. We look forward to replicating many of these 1,000+ camera installations throughout the rest of the world."
