

**Infinova Appoints Mr. Sreekumar S. Nair as Regional Support Engineer for Middle East, Africa & Indian Subcontinent**

Monmouth Junction, NJ – January 12, 2007 - Infinova, a leading manufacturer of complete CCTV security/surveillance and Fiber Optic solutions, has appointed Sreekumar S. Nair as Regional Sales Engineer covering the Middle East, Africa & Indian Subcontinent.

Mr. Nair has over 9 years hands-on experience in the installation and trouble-shooting of CCTV and low voltage security systems. Previously, Mr. Nair worked with leading System Integrators in the region as a Technical Manager.

In this position, Mr. Nair will be responsible for the pre-sales support, technical backup and training for Infinova partners in the region. Mr. Nair will train and provide services to his distributors as well as work closely with architects, consultants, engineers and integrators to write technical specifications.

Infinova designs and manufactures a full line analog and digital/IP CCTV products including PTZ dome cameras, fixed cameras and lenses, monitors, DVRs, matrix switchers, controllers and accessories, fiber optics for video, audio and data, and integration management software. Infinova provides consultants, integrators, electrical contractors and installers with engineering design assistance and customized systems.
